To

The Chief Secretary to the Government of Mysore.

Sir,

I have the honor to forward, in original (to be kindly returned) letter No. 3363 / 2133 dated 24th ultimo, with enclosures, from the Deputy Commissioner, Kolar, relative to the grant of materials for the car, and firewood in connection with feeding at the time of Jatré or car festival of Sri Prasanna Ramalingé swara Swami at Avani in the Mulbagal Taluk.

2. The only authority that has been produced by the mutt for the above concession is Fouzdari's Nerup dated 18th February 1824, filed with the correspondence and the enjoyment of the same as testified to by the 15/93

the several Takeeds issued by Amildar on the subject. As remarked by Mr. Madiah the memp does not specify the description and quantity of materials to be granted free. Under the circumstances, I would recommend that only such materials as may be required in any year for the replace-ment of inefficient and moth-eaten mate-rials of the car and also a needful quan-tity of firewood not exceeding 10 cartloads may be granted free of seigniorage from District or Unreserved Forests'. This case is almost similar to the one dwelt upon in Government Proceedings No. 7701-2/132 dated 23rd September 1890.

Put up entry 5:27 and wrote Sir to these cases Sept 26 on 3rd & 4th

I have the honor to be
Sir
Your most Obt. Servant,

Inspector [illegible]ral of Forests.

the free grant of materials for the car ~~procession~~ of Sri Prasanna Ramalingeswara swamy at Avani in the Mulbagal Taluk but does not specify the kind or quantity as well as from what tract or jungle the same should be granted.
